

## Center for African Studies Research Affiliate Program

The University of Florida's Center for African Studies announces the 27<sup>th</sup> consecutive year of its Research Affiliate Program for college and university faculty. The program enables African specialists at institutions without adequate resources for African-related research to increase their expertise on Africa through contact with other Africanists on campus and by using the African-related resources of the University of Florida libraries. The Outreach Program of the Center for African Studies administers the program with funding provided by a U.S. Department of Education Title VI National Resource Center grant.

A one-month appointment with a stipend of \$2,500 will be available for the summer of 2008. Affiliates may begin their appointments any time after receipt of the award but must complete their visit by August 11, 2008.

### HOW TO APPLY

Complete the information below and include the following items:

1. A brief statement of at least 2 pages of intended research/study for the period of affiliation
